About IDFC

IDFC was established in 1997 with a mandate to create enduring value through infrastructure and nation building. It was incorporated as a private sector enterprise by a consortium of public and private investors to lead private capital via infrastructure projects in India.

Over the past 17 years IDFC has played an integral part in India's infrastructure development. Whether it was financial intermediation for infrastructure projects and services, adding value through innovative products to the infrastructure value chain or asset maintenance of existing infrastructure projects, our focus was always to support companies in enhancing their value. This approach has enabled IDFC to become India's leading integrated infrastructure finance player, providing end to end infrastructure financing and project implementation services.

Today, IDFC is recognised as one of India's premier financial conglomerates.
